Guy Bates Post, Actor Broke After 55 Years on Stage

Star of 'Omar' Files Voluntary Petition in Bankruptcy

LOS ANGELES, April 29.—After 55 years as an actor, Guy Bates Post is broke.

The 68-year-old footlight veteran, who appeared in some 60 stage plays and more recently a smaller number of movies, filed a voluntary petition in bankruptcy yesterday. His petition states that his debts total \$14,436 and his assets nothing.

Insolvency climaxes a career in which for years Mr. Post was an outstanding favorite of the legitimate stage. Perhaps his most celebrated role was as Omar Khayyam in "Omar the Tentmaker," which he played at the Lyric Theater in New York in 1914, and in which he gave 959 consecutive performances.

His first New York appearance had been at Hoyt's, on Madison Avenue, in "The Sign of the Cross." He played a dual role in a dramatization of Cooper's "The Spy" and had the chief part in "The Heir of the Hoorah" for two years.

Other plays in which he appeared included "The Bridge," "The Witch" and "The Bird of Paradise."

Twice he toured Australia. London performances followed. He came to Hollywood in 1936 and later opened a little theater where he directed plays between film jobs.

Although he has been on studio call lists, his bankruptcy petition states, his earnings in the last year aggregate only \$1,086.

Methodists Propose 20 to 30 Million Fund for Missions

KANSAS CITY, April 29.—A proposal to collect and spend between \$20,000,000 and \$30,000,000 on post-war missions will be presented to the Methodist Church's General Conference early next week.

The plan is the result of almost a year of study by the Committee of 21 on Postwar Planning. Another meeting of the committee was scheduled late today to decide when the drive should start.

Bishop Paul B. Kern of Nashville, committee chairman, said there had been two chief problems to consider: 1. How much do we need? 2. How much can we get?

Bishop Kern said no one had any idea how many millions of dollars, worth of destruction had been wrought on Methodist property in China, Malaya and Japan. But it is known that at least 1,000 buildings have been destroyed.

May Need \$125,000,000. Twenty-five years ago, when Methodism launched a somewhat similar drive, \$100,000,000 was raised. The goal was lowered this time. Bishop Kern said, because of higher income taxes and other factors, although some committee members believed that as much as \$125,000,000 would be needed to do the job properly.

The money will be used to rebuild war devastated areas, for the maintenance of chaplains, to strengthen personnel in foreign service and to aid in mission education and social service.

Also on today's program was a speech by Gov. Thomas L. Bailey of Mississippi who is preaching that Methodists must have a strong, challenging program for country churches if they are to continue to advance.

Message From Chiang Kai-shek. Generalissimo Chiang Kai-shek called on the 8,000,000 Methodists to "unite in the common effort to secure the happiness and blessings of all mankind" in a cable to his fellow churchmen.

The generalissimo's message was to be read to the conference today by Bishop Yen Yuan Chen of the Chungking area. Before the bishop left for America he was asked by the generalissimo for the dates of the conference so he could remember it in his daily prayers.

"I have learned that the world conference of the Methodist church is now in session. With utmost sincerity, I bring to you my greetings and congratulations, praying that the conference may be crowned with great success, that all the members of the church will, with the spirit of forbearance and fortitude, unite in the common effort of securing the happiness and blessings of all mankind, and that His righteousness may prevail."
